

LICENSES ARE RAISED

Fredericksburg Puts Increased Tax on Liquor Dealers.

SPOTSYLVANIA NOW DRY

The Majority Against the Wets Was 148. A Good Roads Convention Was Held at Stafford County Court and a Committee Appointed.

(Special to The Times-Dispatch.)
FREDERICKSBURG, Va., April 17.—The City Council at its meeting last night raised the retail liquor license to \$150, an increase of \$20 over last year's figures. An amendment to make it \$100 was lost. Other propositions for a lower license were also defeated. Eleven new subjects for license were embraced in the license tax budget, presented by Colonel E. D. Cole, chairman of the Finance Committee. The vote on fixing the liquor license at \$150 was not unanimous, seven being for the affirmative and four against.

Full returns from the local option election in Spotsylvania county show the majority for the dries to be 148. Two precincts gave a wet majority, but every district went dry.

At Stafford County Court this week a good roads convention was held, it having been called by Captain D. M. Lee, vice-president of the State Good Roads organization for Stafford. Mr. C. L. Kennedy was made chairman of the meeting. Captain D. M. Lee, secretary. A committee was appointed to draft resolutions to be presented at a meeting of citizens at May court. The committee is composed of Messrs. F. A. Hill, J. A. Graves, John W. Payne, Andrew Briggs, J. P. Simpson, James E. Berry, A. T. Rawlings, T. K. Briggs, and Nelson Shacklett. Hon. M. J. Lowry, the county's delegate in the Legislature, addressed the meeting and urged the county under the old law, as the Mann bill at that time had not been signed by the Governor.

Rev. J. S. Hutchinson, the new Methodist minister, has arrived and entered upon his duties.

The weather experienced here since Sunday is the worst known for years at this season for so long a time. The rain has been continuous, with a present for clearing up to this time. The farmers are entirely at a standstill and will be thrown behind for weeks. Trucking interests are suffering, and the loss to fishermen cannot be calculated. The Rappahannock River has been out of its banks for several days. The steamer Tourist, of the People's Line, has been compelled to land its passengers on barges and send them ashore in small boats.

A lodge of some of the most prominent citizens, Mr. John M. Griffin has been made chairman of the order, with Captain S. J. Quinn, vice-chairman. Dr. J. Garnett King, secretary. Ivan Strassburg, treasurer.

Notice was served here to-day by Deputy United States Marshal Glover, of Richmond, on A. W. Embrey, vice-president of the People's Line, and Commander Mr. Craddock and P. V. Archer of a suit instituted by the Weems Line of steamers of Baltimore, in the United States Circuit Court of Virginia, restraining the People's Line from landing any steamers on the banks of the Rappahannock River. The brief states that the Weems Line has suffered damages to the amount of thousands of dollars. The case will come up at the June term of the United States Circuit Court in Richmond.

President W. D. Carter, of the People's Line, and W. D. Carter individually are also named in the suit, but he was absent from the city. This suit will excite a great amount of interest among the people here and along the Rappahannock River.

Rev. W. W. Owens, of King George county, has resigned as pastor of Good Hope Baptist Church, in Maryland, and will continue his work in the future to Virginia.

The petition being circulated for a local option election in this city will be presented to Judge Wallace of the Corporation Court to-morrow, the necessary number of signatures having been secured.

The youth of the city, eleven years old, who was killed by a street car in Washington yesterday, was a nephew of Mr. H. B. Lane, of this city, and of Mrs. W. S. Daniel, of Richmond.

Luther A. Gray, of Stafford, was arrested to-day, charged with the murder of a burglar in Washington. He was committed to jail and the Washington authorities notified.

BRISTOL'S POSTOFFICE

Virginia Patrons Complain That Tennessee Gets All the Positions.

(Special to The Times-Dispatch.)
BRISTOL, Va., April 17.—It is learned that Congressman C. Slem, of the Ninth Virginia District, is endeavoring to influence the new postoffice at Bristol, Va., to be a Bristol postoffice. Under the influence of Congressman Walter P. Brownlow, of the First Tennessee District, the postoffice patronage has all been kept in Tennessee, so that at present all persons enjoying Federal patronage through the Bristol postoffice are Tennesseans, notwithstanding that the Bristol postoffice is the office of Bristol, Va., as well as of Bristol, Tenn. The government building is located on the Tennessee side of the city, and for this reason Congressman Brownlow has exercised control in dictating to the department what should be done with reference to conducting the postoffice. Colonel Brownlow recommended the present postmaster, E. A. Warren, for appointment, and the postmaster, being a Tennessean, has naturally given preference to Tennesseans in selecting his help.

Congressman Slem, it is understood, is endeavoring for a Bristol, Va., postoffice station, which would be in charge of a Virginian, the plan being to serve the

KESWICK HUNT CLUB

Closes a Successful Hunting Season and Ready for Summer Gayety.

(Special to The Times-Dispatch.)
KESWICK, Va., April 17.—The Board of Governors of Keswick Hunt Club met at the club-house to-day for a resume of the past prosperous hunting season, which ended April 15th, and to lay out plans for the future. The present were J. H. Brown, president; B. F. McGonigle, secretary and treasurer; Julian Morris, M. F. H.; Dr. C. J. Ingersoll, Dr. F. L. Thurman, F. W. Randolph, and R. G. Whitton. The treasurer's books showed a comfortable balance on hand, which insures the club a good hunting season for the next year. Arrangements were made to purchase an approved pack of English hounds for next season's dog trials, which the native Virginia dogs will be kept for live foxes. A spring meet will be held on the club race-track about May 1st, when, besides the usual pony races, there will be a jumping contest open to hunters from this and the adjoining counties and a point-to-point steeplechase.

Immediately after the spring meet, the club-house will be opened for the summer season's gayeties, which will consist of games, private theatricals and concerts.

FOUND AFTER YEARS

William H. Moorman Recovers Sabre Captured from Federal Soldier.

(Special to The Times-Dispatch.)
STAUNTON, Va., April 17.—William H. Moorman, now commissioner of the revenue of Middle River district, and an old Confederate soldier, under Captain John N. Ople during the war, just after the battle of Piedmont, while out with a small party skirmishing, encountered a party of Federals, and Mr. Moorman captured from one of them a sabre and a pair of pistols. The sabre was a fine one, and he kept it as a memento of the battle. He has since been looking for it, and it was found by him in a box in the possession of a Mr. Brabek thirty-nine years ago.

THE OLD LANCASTER

Will Go Out of Commission and Be Made a Receiving Ship.

(Special to The Times-Dispatch.)

YORKTOWN, Va., April 17.—The United States training ship "Lancaster" received orders yesterday from the department to proceed to Old Point, from there to League Island navy-yard for a final disposition of the old bulk. Her usefulness is over, and she will now go out of commission, as soon as Philadelphia is reached, and her remains converted into a receiving ship. The ship's company, it is learned, will be transferred to the Yankee, a converted freighter, with accommodations for 700 men, and may be ordered to Philadelphia or somewhere else on the Atlantic station.

CHARLOTTESVILLE BOYS WON

MOONSHINERS IN BUCHANAN

Revenue Officers Capture Three Men and Four Still.

Famous Bill Lee Escapes

(Special to The Times-Dispatch.)

SWORDS' CREEK, Va., April 17.—A party of revenue officers, composed of Deputy Collector Slem, of Wise county; Deputy Marshals Goss, of Russell, and Edmondson, of Wise; W. Terry Bowling, of Tazewell; William Bradley, of Wise; Joseph Boyd and Deputy Sheriff Charles Hunt, of Swords' Creek, went to Buchanan county on the lookout for moonshiners this week, and as a result of the trip captured three men and four "stills." The men were Jack Brown, John White and — Harris. Brown has been running a distillery for the past fifteen years, and up to the time of his capture has evaded the law. White also is an old hand at the business. His father was captured at the same place and for the same offense two years ago.

The main object of the raid was to capture Bill Lee, but in this the party failed, as he is evidently on the lookout for just such parties, and manages to keep out of their way. He was captured by a party of the Baldwin detectives in February, 1907, after a severe and bloody fight, in which Lee and Detective Tom Felt were both shot. Lee was sentenced to life imprisonment in the West Virginia penitentiary, but made his escape about eighteen months and returned to his old haunts, and the above party was organized to try and recapture him, with the above results.

Deputy Sheriff Hunt, who will be released by some of the "Times-Dispatch" readers, on one time from this county to Richmond, in an interview this morning, said the affair was very quiet, as the party was careful in laying their plans, which were carried out successfully, with the exception of the failure to capture Lee. There were a few shots fired at the party as they left the scene of the capture, but it is thought by some of the party that this was not done with the object of harm. Two of the party were left to guard one house while the others went to search another, and when they returned they found the two left on guard in an old-fashioned "Virginia" room. The prisoners were lodged in the Lebanon jail.

CHURCH ROW IN COURT

Harrison-St. Colored Church's Troubles Well Ventilated.

THE RIVAL UNDERTAKERS

This Appears to Be the Root of the Trouble—Judge Mullen Hears Argument But Reserves His Decision for a Few Days

(Special to The Times-Dispatch.)
PETERSBURG, Va., April 17.—The Harrison-St. Colored Church has occupied the Corporation Court all day. Judge Mullen will reserve his decision for a few days.

The evidence was offered this morning and the court adjourned at 2 o'clock till 4. There were charges and counter charges and the testimony of the two factions differed greatly. There were charges against the pastor, Rev. Billis Watts, of many irregular and arbitrary acts but the only specific charge was that he would not permit the members to be buried from the church unless the undertaker, who is a member of the church, has charge of the funeral. The trouble began over the funeral of Deacon Green, who after having served the church faithfully for many decades, could not be buried from it because his family had secured the services of an undertaker not a member of the church. A general muddle followed and even the court had difficulty in deciding which faction should rightfully be in authority at the church. At a meeting held a few evenings after the funeral, two factions developed, one consisting of the pastor, Rev. Billis Watts, the deacons and their friends and the other of the other members of the church. The latter faction put out the deacons and took steps to call another preacher. The Watts faction, after having been interrupted at one Sunday service, secured an injunction from Judge Mullen of Richmond, to prevent Judge Mullen's interference from the other faction. Since then the worship has continued uninterrupted and the case was fully aired in the Corporation Court to-day.

Mr. George S. Bernard and Bernard Mann, represented the Watts faction and Messrs. R. B. Davis and George Mason the opposing faction.

The case has attracted considerable attention and many women and children, in terms, the force of which could not fail to impress.
